

Databases for Additional Private Therapy Centres

College of Physiotherapists of Ontario

The Public Register is legislated by the Ontario Government to be available to the public. In Ontario, all persons using the title of “physiotherapist” must be registered with the College of Physiotherapists of Ontario. Information such as registration number, name, address, phone number, languages spoken and discipline decisions is available. For more information visit:

www.collegept.org/

The College Occupational Therapists of Ontario

The self-regulatory body that, in the interest of public protection, supports registered occupational therapists to ensure that they are competent, ethical and accountable in enabling the health of Ontarians. For more information visit:

Private Pediatric Therapy

A website that has been set up to help families access private Physiotherapy and Occupational Therapy within the GTA. Clinics, individual therapists and their specialties are listed to help parents accurately find the right therapist in a location close to their homes. The site lists larger clinics and individual therapists who are experts in their fields and are often harder to locate. For more information visit:
